The Tile Doctor Calcium, Lime & Spot Remover

is a safe, non-toxic, acid-free cleaner that removes calcium buildup, hard water stains, lime and efflorescence from tile, stone, and grout.

DIRECTIONS:

- Always follow instructions for application and test in an inconspicuous area first to insure desired results.
- Apply full strength – do not dilute. Allow 1 to 10 minutes contact time and rub with a Tile Doctor non-scratch scrub pad or soft cloth.
- Rinse with plenty of clean water.

CAUTIONS: Avoid contact with eyes, nose, or mouth.

EMERGENCY FIRST AID:

Eyes: Immediately flush with large amounts of water for at least 15 minutes, occasionally lifting upper and lower lids. Get immediate medical attention.

Skin: Immediately flush exposed area with water for at least 15 minutes. If irritation continues, get medical attention.

Inhalation: Remove individual to fresh air. If symptoms persist, get immediate medical attention.

Ingestion: Do not induce vomiting. Dilute by giving water and fruit juice. Get immediate medical attention.
