the Tile Doctor®

The Tile Doctor would like to introduce to you our high-performance pool installation material products through a program of FREE in-person or virtual instructional sessions. With versatility in mind, we have developed a series of standalone Training Modules that can be taken in any order to learn about all of our products and applications. For information on content and scheduling, please contact: trainer@thetiledoctor.com or call 770-447-0061.

WATERPROOFING & ANTI-FRACTURE

Aquamaster® EVO

GLASS TILE INSTALLATION

Litoelastic® EVO

The Tile Doctor offers a comprehensive array of swimming pool waterproofing and tile installation products. Our cutting-edge offerings include the newest developments from **LITOKOL**, one of the most respected and innovative manufacturers of installation products in swimming pools for glass, porcelain, slab, marble, natural stone, and mosaic tiles. These products, along with the over 150+ finishes available with the Starlike® EVO epoxy grout line, solve the myriad problems associated with glass tile installations.
